

NATHALIE PIAT

Living with T1D since 1983

#dedoc°voice since 2020

ABOUT

Fluent French/English, I thrive in an international environment - both professionally and personally.

I'm a Frontend iOS and Web Developer living in Paris, previously working in international communications, and always up for learning new things!

I have been a #dedoc°voice since 2020, attending ATTD, EASD and ISPAD to discuss, curate, translate, and share learnings with the worldwide DOC - Diabetes Online Community.
